## Program

### IBRA Seminar and Workshop

# Trauma and Reconstruction of the Upper Limb

**Advanced Concepts in Wrist and  
Elbow Treatment**

**October 12 – 13, 2018  
Miami, Florida, USA**

Chairmen  
Dr. Alejandro Badia, Miami Beach, USA  
Prof. Dr. Rames Mattar jr., São Paulo, BR

## Foreword

Dear Colleagues and Friends,

IBRA is proud to sponsor and organize the IBRA Seminar and Workshop 2018 “Advanced Concepts in Wrist and Elbow Treatment“

With this established course we continue the close exchange between participants and faculty, explore case presentations, and encourage interactive discussions. Our internationally renowned faculty will lecture and engage, each presenting with innovative style and expertise and will be taking you through interesting sessions.

The cadaver lab highlights this 2-day course, enhancing didactic learning with hands-on skills, emphasizing tips and pearls of new approaches and procedures.

We look forward to sharing this special format of lecture, panel sessions and cadaver lab - along with social events - in the beautiful setting of South Florida.

Dr.  
Alejandro Badia  
IBRA Delegate  
Latin America

Prof. Dr.  
Rames Mattar jr.  
São Paulo, Brazil

## Faculty

### **Chairmen**

Dr. Alejandro Badia, Miami, USA

Prof. Dr. Rames Mattar jr., São Paulo, BR

### **Faculty** (in alphabetical order)

Dr. Alejandro Badia, Miami Beach, USA

Dr. Roy Cardoso, Miami, USA

Dr. Alejandro Espinosa, MEX

Dr. Javier Gonzalez, Santiago, CHL

Dr. Mário Guarnieri, São Paulo, BR

Prof. Dr. Rames Mattar jr., São Paulo, BR

Dr. Fabio Suarez, Bogota, COL

## Friday – October 12, 2018

<b>8:00 – 8:30 am</b>	<b>Registration</b>	
8:30 – 8:40	Welcome	<i>A. Badia</i>
8:40 – 8:45	IBRA Introduction	<i>J. M. Vázquez</i>
<b>8:45 – 10:15 am (90min)</b>	<b>Session I: Scaphoid</b>	<b><i>R. Mattar jr.</i></b>
8:45 – 9:00	Treatment Strategies in Acute Scaphoid Fracture	<i>J. Gonzalez</i>
9:00 – 9:15	Scaphoid Nonunion	<i>R. Mattar jr.</i>
9:15– 9:30	Indication for Scaphoid Plate	<i>F. Suarez</i>
9:30– 9:45	SNAC Wrist: Salvage Procedures	<i>R. Cardoso</i>
9:45 – 10:15	Discussion and Cases	<i>All</i>
<b>10:15 - 10:30 am</b>	<b>Coffee Break</b>	

## Friday – October 12, 2018

<b>10:30 – 12:15 am</b>	<b>Session II: Distal Radius (105)</b>	<b>A. Badia</b>
10:30 – 10:45	Current Treatment in Distal Radius Fractures	<i>A. Espinosa</i>
10:45 – 11:00	Troublesome Lunate Facet	<i>M. Guarnieri</i>
11:00 – 11:15	Ulnar Shortening	<i>F. Suarez</i>
11:15 – 11:30	Correction Osteotomy of the Distal Radius	<i>A. Badia</i>
11:30 – 12:15	Discussion and Cases	<i>All</i>
<b>12:15 - 1:30 pm</b>	<b>Lunch</b>	

## Friday – October 12, 2018

<b>1:30 – 3:15 pm</b>	<b>Session III: RSL-Fusion in the Wrist (105min)</b>	<b><i>R. Mattar jr.</i></b>
1:30 – 1:45	Salvaging the Arthrothric DRUJ	<i>J. Gonzalez</i>
1:45 – 2:00	RSL Fusion	<i>R. Cardoso</i>
2:00 – 2:15	Total Wrist Fusion	<i>R. Mattar</i>
2:15 – 3:00	Discussion and Cases	<i>All</i>
<b>3:00 - 3:30 pm</b>	<b>Coffee Break</b>	

## Friday – October 12, 2018

<b>3:30 – 5:30 pm</b>	<b>Session IV: Elbow (120min)</b>	<b>A. Badia</b>
3:30 – 3:45	Distal Humerus Fractures	<i>R. Cardoso</i>
3:45 – 4:00	Olecranon Fractures	<i>M. Guarnieri</i>
4:00 – 4:15	Coronoid Fractures	<i>F. Suarez</i>
4:15 – 4:30	Radial Head Fractures	<i>A. Badia</i>
4:30 – 4:45	Terrible Triad Injuries	<i>F. Suarez</i>
4:45 – 5:30	Discussion and Cases	<i>All</i>
<b>8:00 pm</b>	<b>Social Dinner</b>	

## Saturday – October 13, 2018

<b>7:15 am</b>	<b>Departure to Laboratory at MARC</b>	
<b>7:45 – 8:10</b>	<b>Registration &amp; Breakfast at MARC</b>	
<b>8:10 – 2:00 pm</b>	<b>LABS (330min)</b>	
8:10 – 8:15	Product Introduction	<i>Medartis</i>
8:15 – 9:00	Lab 1: Olecranon Fracture	<i>M. Guarnieri</i>
9:00 – 9:45	Lab 2: Radial Head Fracture	<i>A. Badia</i>
<b>9:45 – 10:00 am</b>	<b>Coffee Break</b>	
10:00 – 10:45	Lab 3: Distal Radius Fracture (FPL and Hook Plate)	<i>A. Espinosa</i>
10:45 – 11:30	Lab 4: Distal Radius Fracture (Dorsal Radius Plate)	<i>J. Gonzalez</i>
11:30 – 12:30	Lab 5: Ulna shortening	<i>F. Suarez</i>
12:30 – 1:15 pm	Lab 6: Scaphoid Plating	<i>F. Suarez</i>
1:15 – 2:00	Lab 7: 4 Corner Fusion	<i>R. Mattar</i>
<b>2:00 pm</b>	<b>Adjourn and Transportation to DoubleTree Ocean Point Resort</b>	

**IBRA** is a financially independent, internationally oriented non-profit organization, for specialized clinicians and research scientists. IBRA's core activity is the future-oriented advancement of bone-tissue research and management focusing particularly on:

- Bone biology, including osteointegration, bone generation and soft tissue reaction
- Maxillofacial and orthopaedic rehabilitation
- Materials research including hardware development
- Biomechanics
- Tissue engineering
- Surgical procedures & clinical management

IBRA encourages the development of innovative solutions in a friendly, loyal atmosphere. Future-oriented open-mindedness and international acceptance form the basis for first-rate assistance in realizing modern research projects and promoting individual careers. As an international forum reaching across geographic and cultural borders, IBRA offers an up-to-date network for the exchange of experience and knowledge in applied bone and tissue research.

### **History**

IBRA was founded in Zurich, Switzerland on September 25, 2004 at the initiative of eighteen forward-looking clinicians. Its primary aims are the exchange of professional knowledge, promotion of new scientific developments, engineering of the musculoskeletal system, coordinated multi-centre research and highly specialized advanced training.

### **Research Support**

IBRA offers financial support for research projects dealing with bone biology and the improvement or development of internal fixation devices for maxillofacial and limbs surgery. With the emphasis on innovation and suitability for practical application, 95% of the research budget goes towards applied research and clinical studies and 5% towards basic research.

### **Education**

IBRA's education area offers clinicians special courses on the application of specific methods of treatment. IBRA's particular concern is to train tomorrow's highly qualified research scientists. IBRA enhances its members' qualifications through a scholarship program.

## General Information

### Chairmen

Dr. Alejandro Badia, Miami, USA

Prof. Dr. Rames Mattar jr., São Paulo, BR

### Organized by

International Bone Research Association - IBRA Basel / Switzerland

### Registration & Information

IBRA Administration Office

Hochbergerstrasse 60E, CH-4057 Basel, Switzerland

Phone: +41 61 319 05 05, Fax: +41 61 319 05 19

info@ibra.ch, www.ibra.ch

### Registration Fees

IBRA Member      USD 570

Non Member      USD 670

Resident            USD 620 (written proof required with registration)

Course tuition includes scientific seminar, cadaveric labs, transportation between the hotel and the MARC, breakfasts, refreshment breaks, Friday lunch and Symposium Group Dinner on Friday, October 12, 2018.

## General Information

### **Educational hours**

Theoretical Part on Friday, November 2 - 420 min

Practical Part on Saturday, November 3 - 330 min

Total: 12,5h

### **Target audience**

Recommended for head of departments and senior surgeons

### **Main specialty of the event**

An interactive seminar and hands-on workshop, addressing trauma and reconstruction with representative cases and discussions. Faculty present latest innovations and trends both in lectures and surgical demonstrations to the participating senior surgeons.

### **Expected total number of participants**

30

### **Educational needs**

A vital scientific exchange between experts of the subspecialty reaching out for the establishment of refined standards in surgery and further improved treatment for patients has been identified as the specific need of this course level. Opening of new perspectives and a solid sounding board. Testing and possible confirmation of individual ideas through discussion with peer experts.

### **Expected educational outcomes**

Broadening of spectrum of good practices and their dissemination along with awareness of new/improved techniques and methodologies to diagnose, treat and follow-up patients.

## General Information

### **Clear description of the nature of the event**

Day one focuses on lectures with cases presentations and discussions. Panel discussions analyze cases, followed by „pearls and pitfalls“. Day two provides a hands-on cadaver lab that allows the mutual exchange of personal experience by directed instructions. The interactive course format will engage the participants and highlight the controversy linking lack of evidence and broad range of experience.

### **Methods to promote active learning**

Multimedia presentations; time for question & answer sessions and discussion; cadaver workshop (of pre-fractured specimens) with sharing and discussion of the various cases.

### **International audience**

Yes

### **Main language of the event**

The official event languages are English and Spanish.

### **Sunshine Act Reporting**

In compliance with federal and state laws, including the Physician Payment Sunshine Act, all attendee meeting expenses will be reported to the U.S. government as in-kind payment such as course fees (shuttle, actual cost of meals). AdvaMed guidelines also prohibit spouses or guests from participating in dinners and/or meal functions.

## General Information

### Meeting Venues

Miami Anatomical Research Center (MARC)  
8850 N.W. 20th Street, Miami, Florida 33172  
Phone: +1 305.716.0966, Fax: +1 305.716.0962  
[www.marctraining.com](http://www.marctraining.com)

DoubleTree Resort & Spa by Hilton  
Hotel Ocean Point  
17375 Collins Ave, North Miami Beach  
FL 33160, USA  
Phone: +1 786-528-2500

MARC

DoubleTree Resort & Spa by Hilton

### Housing Information

Rooms are available at \$ 179.00 (+13% taxes) per night if booked by September 25, 2018.

Once your registration is confirmed, we will reach out to you for making your accommodation arrangements and confirm your hotel reservation.

**Deadline: September 25, 2018**

## General Information

### **Transportation**

A shuttle service between DoubleTree Ocean Point Resort and MARC will be provided. The shuttle will depart in the morning and return in the afternoon in conjunction with the meeting start and end times. Transportation to and from the airport is the responsibility of the participant.

### **Sponsoring**

We thank our major industry partners Medartis GE Healthcare for contributing in-kind support (material and logistics) without which this event would not be possible.

A special thanks to Medartis for providing an unrestricted educational grant for this event.

### Registration and Confirmation

All registrations are confirmed by e-mail. If you have not received a confirmation prior to your departure for this course, please contact us.

### Refund Policy

All refunds must be requested in writing to the IBRA Administration Office. If written notification is received 3 weeks prior to the event, a full refund less a USD 40 processing fee will be given. If written notification is received 10 days prior to the event, a refund of 50% of the registration fee will be given. For later notifications there will be no refunds. Refunds will not be given for non-attendance.

## General Information

### **Disclaimer and Waiver**

I understand that the material presented in this educational program (the “Program”) has been made available under sponsorship of IBRA (International Bone Research Association) for educational purposes only. This material is not intended to represent the only, nor necessarily the best, method or procedure appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement or opinion of the faculty that may be of interest to others.

As a condition of my participation in the Program, I hereby (i) waive any claim I may have against IBRA and its officers, directors, employees, sponsor, agents, or against the presenters or speakers, for reliance on any information presented in the Program; and (ii) release IBRA, its officers, directors, employees, sponsors and agents, as well as the presenters and speakers, from and against any and all liability for damage or injury that may arise from my participation or attendance at the Program.

I further understand and agree that no reproduction of any kind, including photographs, audiotapes and videotapes, may be made of the Program. All property rights in the material presented, including common law copyright, are expressly reserved to the presenter or speaker or to the IBRA.

IBRA is not responsible for expenses incurred by an individual who is not confirmed and for whom space is not available. Costs incurred by the registrant, such as airline or hotel fees or penalties, are the responsibility of the registrant.

I hereby certify that I am correctly vaccinated against the current diseases which could be transmitted during the dissection workshops. I also certify that my personal insurance company will take in charge the possible injuries and complications that may occur during the dissection workshops. I relieve the organizers from their responsibility concerning any injury and complication that may occur during the workshops.

By registering for the Program, I consent to the conditions of participation set forth above.

# Notes

A page for taking notes with a background of a leaf's vein structure. The page features a solid green leaf border at the top and bottom, and a light gray background with a faint, repeating pattern of leaf veins. The central area is filled with horizontal lines for writing.
